J. H. Clouse.

S. R. Bench and family of Clay County, Texas, who were pro- pectors to our Plains country, were in the Hester neighborhood a few miles north of Lovington and camped near Mr. Hester's resi- dence, when they had the misfor- tune to have Mr. Bench become suddenly and seriously ill. They having been here only about a week and not permanently located, Mr. Hester had him brought to his house where he received all the care and attention that both friends and physicians could offer, but Friday night he grew worse and death claimed him at about 1 o' clock in the morning.

Drs. Pate and Frederick, county hospital physicians of Calisbad were called in consultation, arriv- ing Friday afternoon. Mr. and Mrs. S. W. Bench, parents of Mr. Bench were wired for but arrived Saturday afternoon too late to see him alive. A casket was secured at Lovington and the burial took place in the Lovington Cemetery Sunday afternoon. Later we learn that the baby of the deceased man is quite sick with pneumonia.

It seems that the ministers of our town are getting their Christmas showers before any one else. When last week a unique pounding was planned for Rev. L. O. Cunningham and family. Presbyterian minister of this place. By the placing of a large box at P. S. Eaves & Co.'s store and each one wishing to contribute was asked to place their package therein. How ever from all accounts we hardly think that the box was sufficient for the occasion. As, when late Saturday afternoon two autos laden with the various contribu- tions and a few persons made their trip to the Cunningham home to deliver them, no need to say that the recipients were surprised and more so when told that a third car would be needed to bring the remainder. While many words of appreciation were bestowed upon the donors at the time, Sunday morning just before services, Rev. Cunningham again in words befitting the occasion thanked all who were contributors to the shower.
